Located in a quiet residential road in the heart of Sidcup is this period house with attractive bare brick exterior. This house is offered to the market with plenty of room for the next owner to put their own stamp on it. It is true that the house needs updating and modernising, but it has been so well looked after with both kitchen and bathroom of a good standard.

The property also has gas central heating and double glazing and has brilliant potential for extension to the rear and into the loft, which are subject to planning but many houses in the road have already done so. Perfect first time buy and chain free.
