THE PROPERTY

The Paddock is being sold for the first time since it was bought by the only owners as brand new in 1989. The extensive and well planned accommodation is centred around an spacious L shaped reception hall which gives direct access to all of the principal reception rooms, bedrooms and main bathroom. In its original state from the late 1980's the property would benefit from modernisation, but subject to the necessary planning permissions, could be extended by way way of new 1st floor accommodation. Entering the property from the covered porch, into the wide hallway, you come into the living space which includes the kitchen/breakfast room, dining room and rear aspect living room. The main bedroom has an en suite bathroom and extensive wardrobes with bedrooms two, three and four, which are all double bedrooms also having wardrobes. Lastly there is a family bathroom and bedroom 5, currently used as a home office.

THE GROUNDS

The Paddock is tucked away off a private lane, itself leading off Carron Lane. A timber five bar gate opens up to the generous driveway with parking for several cars and access to the attached double garage with two single automatic up and over doors. Positioned centrally within the plot, the majority of the gardens lie to the rear and feature a wide paved terrace, retaining stone wall and slightly raised lawn. The whole of the rear garden is screened by mature planting and trees giving it an excellent degree of privacy.

SITUATION

The historic market town of Midhurst which is located amidst the South Downs National Park.
