Midway Tuttons Hill, Cowes, Isle of Wight, PO31 8JA

Guide Price £725,000

Detached family home - Four spacious bedrooms - CHAIN FREE - Very well presented - Superb kitchen dining area

A stylish four-bedroom detached home in great area

Beautifully presented throughout and offering wonderfully versatile accommodation, a fabulous contemporary kitchen and dining space, attractive gardens and countryside views, with glimpses towards the Solent.

Situated in the popular coastal village of Gurnard, this impressive home has a lovely sense of space from the moment you step inside. Light, airy and contemporary, the property has been thoughtfully arranged to provide generous rooms both upstairs and down, making it a particularly versatile home for modern family life.

Interior

Neutral décor runs throughout, creating a wonderfully calm and welcoming feel, whilst the excellent presentation means this is a home that is ready to move straight into.

Ground Floor:

The bright and unusually wide entrance hall immediately gives a feeling of space, with attractive oak style flooring continuing through towards the kitchen. There is also a useful understairs cupboard.

Two generous reception rooms provide excellent flexibility. They could naturally be used as a sitting room and family/dining room, or, if required, one could easily provide a ground floor bedroom, home office or additional family space. Both enjoy lovely views over the surrounding countryside.

Glazed panelled doors lead through to what is undoubtedly the hub of the home – a fabulous open kitchen and dining area. This impressive room is filled with natural light, with two sets of double patio doors and a central bi-fold door opening the room towards the rear garden and creating a wonderful connection with the outside.

The dining area sits to one side, whilst the generous kitchen occupies the other, fitted with numerous white gloss base units, an integrated dishwasher, low-level fridge and a freestanding 6 burner gas range cooker. Contrasting black-speckled work surfaces provide a stylish finish and this colour scheme continues into the adjoining utility room.

The immensely practical utility room offers further storage together with space and plumbing for both a washing machine, tumble dryer and an additional sink whilst a side door provides convenient access to the garden.

Completing the ground floor is an extremely generous sized, and beautifully presented, fully tiled shower room with a contemporary finish and a large walk-in shower, WC and wash basin.

Midway Tuttons Hill, Cowes, Isle of Wight, PO31 8JA

Guide Price £725,000

First Floor:

The generous first floor provides four larger-than-average double bedrooms together with a stylish family bathroom.

Two of the bedrooms overlook the rear garden, whilst the two to the front enjoy attractive countryside views, with glimpses towards the Solent.

The principal bedroom is particularly special, featuring built-in cupboards and its own ensuite shower room. Bi-fold doors open onto a private balcony, finished with contemporary metal and glass balustrading – a lovely place to start the day or simply pause and enjoy the outlook.

The family bathroom is fitted with a bath and overhead shower, WC and wash basin, with tiled flooring completing the modern finish.

Exterior

A smart block-paved driveway provides parking for 2 vehicles, with direct access to the garage, and a further 1-2 vehicles on the gravel drive. The easily maintained front garden is enclosed by established hedging, providing a mature and attractive approach to the house.

Secure wooden gates to either side of the property lead through to the south-facing rear garden, which is both wide and surprisingly deep.

A generous paved patio immediately adjoining the house provides an excellent area for outdoor dining and entertaining, whilst beyond this the garden becomes a wonderfully peaceful and private oasis.

Along with two raised flower beds, a small pond there is a meandering pathway that leads through towards a shady glade created by the mature trees. Tucked away within this tranquil part of the garden is a large garden store, providing useful additional storage.

Gurnard

Gurnard is a pretty coastal village which has an iconic row of beach huts at Gurnard Green. It lies to the west of the famous yachting town of Cowes with good mainland connections via the 'Red Jet' to Southampton.

The village has a great community spirit and amenities include a local convenience shop, cafe, two popular public houses, a church, a busy sailing club and a superb local primary school and High School. There is a fabulous array of countryside and coastal paths which are all within easy walking distance.
