The property is accessed into the main hallway with stairs rising to the first floor and doors to the main living room and kitchen. The living room has double doors to the dining room which in turn is open plan to the kitchen making this a good sized and social area for families to interact. The kitchen itself is fitted with a range of modern wall and base units with a built in cooker, space for a washing machine and a useful under stairs storage cupboard with a back door giving access to the rear garden. To the first floor are the three bedrooms. The two largest face the green to the front and are double in size with the third single bedroom to the rear also having a small storage cupboard. The property is double glazed throughout and warmed by a mains gas fired central heating system. Externally there are front and rear gardens. The front is open plan with a path to the property from the communal path and overlooks the green. The rear is private and enclosed by a low wall topped with solid fencing and laid mainly to lawn.
