PROPERTY DESCRIPTION

The top floor of this premium block of apartments holds only two dwellings, each of which share no adjoining walls with each other, a rare feature when it comes to apartments.

Through the front door you are welcomed by a large entrance hall that the rest of the property branches off, as well as a good size family bathroom. The large lounge/dining room makes the most of it's southerly aspect with large windows and a balcony, and the kitchen is fully equipped with integrated dish-washer, dual ovens, gas hob and full size fridge freezer.

The main bedroom is also southerly facing, and boasts built in storage as well as good size en-suite with bath and shower. The remaining bedroom is also a very good size and has built in storage of its own. Speaking of storage the apartment has the unusual benefit of having exclusive access/usage to the loft cavity for the entire block. The communal areas to the block are clean and well maintained.

Outside there is a garage and allocated parking for the apartment as well as visitors parking bays. The property also has a lockable store-room.

The property is perfectly located for access to the Epsom Downs, as well as Tadworth Train Station offering regular trains into London, and a short walk away from local shops and facilities including independent traders and convenience store. The surrounding areas offer open countryside with Epsom Downs Racecourse, Walton Heath and several renowned golf courses close by. For the commuter, Junction 8 of the M25 is within 4 miles, providing access to Gatwick and Heathrow airports and the national motorway network. There is a variety of schools within the area including Tadworth Primary School and Chinthurst Prep School as well as City of London Freeman's School and Epsom College to name but a few.
