MODERN METHOD OF AUCTION – SUBSTANTIAL FIVE-BEDROOM PROPERTY WITH HUGE POTENTIAL IN THE HEART OF ST IVES A rare opportunity to acquire an exceptionally spacious Grade II Listed property, tucked away just off Fore Street in the very heart of St Ives. Formerly trading as the Poldhu Guest House, the property offers an impressive amount of accommodation arranged over two floors and represents a fantastic refurbishment opportunity with enormous potential. With five bedrooms and five bath/shower rooms, the sheer size and versatility of the accommodation really sets this property apart. The first floor provides two en-suite bedrooms, a kitchen, generous living room and further bathroom, while the second floor offers three additional bedrooms, two of which are en-suite, together with a separate shower room. Adding further interest is a roof terrace accessed from one of the upper-floor bedrooms, providing another unusual feature for such a centrally located St Ives property. The property now requires refurbishment and updating, but its size, layout and outstanding central location offer exciting possibilities for a purchaser to create something very special, subject of course to any necessary planning and Listed Building consents. Situated only moments from the shops, restaurants, galleries, harbour and beaches for which St Ives is renowned, opportunities offering this amount of accommodation in such a central position are rarely available. Offered with no onward chain and being sold by Modern Method of Auction. Early viewing is strongly recommended.
