Offers Over  
**£375,000**

This beautiful home is just moments from the sea front promenade and the village of Mumbles. From the upper floors, the sweep of Swansea Bay forms a constant presence. The principal and third bedrooms both draw the eye towards the sea, while from the attic room the view opens wider still, taking in the curve of the coastline and the changing colours of the water throughout the day. It is a setting that feels quietly connected to the rhythms of the bay and the nearby village.

Inside, the layout is balanced and thoughtfully arranged. A welcoming hallway leads to a lounge designed for ease and comfort, and a kitchen breakfast room that naturally becomes the centre of family life. On the first floor, three bedrooms and a bathroom create a calm and functional living space. Above, the attic room provides a versatile retreat, perfectly placed to enjoy the far-reaching sea views.

To the rear, a raised decked terrace offers space for dining and relaxation in the open air, leading down to an area with potential for a single parking space, subject to the necessary permissions. The garden captures afternoon light and provides a private corner within this coastal setting.

A short stroll brings you to the heart of Mumbles, with its independent shops, galleries and restaurants, as well as the promenade and the celebrated walks that continue toward the Gower Peninsula. The atmosphere here is both lively and unhurried, shaped by the sea and the character of the village itself.

This property will appeal to those seeking a coastal home within walking distance of Mumbles life, and to those wishing for a well-positioned holiday retreat with views that hold the essence of the bay.
