- Stunning One Bed Ground Floor New Build Apartment
- Intercom Security System
- Energy Efficient Heat Pump
- Private Allocated EV Car Parking
- Engineered Oak Herringbone Flooring With Underfloor Heating Throughout
- Fully Integrated Kitchen With Bosch Appliances And Quartz Worktops

Situated in the desirable Queens Road, this stunning one-bedroom ground floor end apartment offers contemporary design, exceptional finishes, and cutting-edge technology, making it an ideal choice for modern living.

The heart of the home is the spacious open-plan kitchen and dining area, extending to over 21 feet in length. The bespoke Hockley kitchen has been beautifully crafted with sleek white quartz stone worktops and black profile finishes, complemented by soft-close doors and drawers. Fully fitted with premium Bosch appliances - including an induction hob, fridge freezer, oven, dishwasher, washing machine, and integrated microwave - this space is as practical as it is stylish. Elegant recessed lighting highlights the details, while engineered oak herringbone flooring adds warmth and sophistication.

The double bedroom has been designed with comfort and style in mind, featuring ambient lighting that can be controlled via his-and-hers switches for the main lights, bedside lamps, terrace lighting, and mood settings. Buyers also have the option to add custom-built-in wardrobes, tailored to the space, for an additional £5,000. Throughout the apartment, a carefully considered interior scheme combines quartz stone, genuine marble, and oak finishes to create a timeless aesthetic.

The bathroom continues the theme of luxury, finished with genuine Calacatta marble tiles, a backlit vanity mirror, and a sleek black Hans Grohe wall-hung toilet. A shower mixer and full bathtub complete the space, blending everyday practicality with high-end design.

Technology has been seamlessly integrated into the apartment for ultimate convenience. A Heatmiser underfloor heating system provides warmth underfoot, with full smartphone and Alexa voice control compatibility. Air source heating
