Situated in a pleasant position overlooking the attractive green, this well-presented home benefits from a generous front garden, perfect for creating a sunny morning seating area or enjoying gardening. The front garden has an outside tap, and secure gated side access leads through to the rear garden. The enclosed rear garden is very nice, with garages beyond ensuring it is not directly overlooked. Laid mainly to lawn, the garden has a patio, pathway and borders. The garden has direct access from the garden into the garage. The garage is equipped with an up-and-over door, power and lighting, generous loft storage, and ample space for additional utility appliances.

Inside the property, the kitchen is positioned at the front of the property, enjoying an easterly aspect overlooking the green. A charming curved archway adds character to the entrance, while the kitchen offers a one-and-a-half bowl sink, an excellent range of cupboards, and designated space for a dishwasher/washing machine and fridge freezer. The property is heated by a gas combination boiler (age to be confirmed). The ground floor also comprises a cloakroom with WC, wash hand basin and window, together with a large storage cupboard.

To the rear of the property, a lounge/dining room overlooks the garden and benefits from French doors opening directly onto the patio.

Upstairs, the principal bedroom enjoys a westerly aspect overlooking the rear garden and features a built-in double wardrobe together with an en-suite shower room. The second bedroom overlooks the green to the front with an easterly aspect, includes a built-in wardrobe and provides access to the loft via a hatch.

Completing the first floor is the family bathroom, fitted with a white suite and a shower over the bath.
