Offered to the market with the added advantage of no 'onward chain' complications, this sought after two bedroom ex-local authority end of terrace house is situated in a convenient and favourable established residential address within walking distance of a host of amenities in Tilehurst Village and several regular bus services. Reading Town Centre is approximately 4 miles to the east and the M4 Motorway is roughly 10 minutes drive via the nearby A4 Bath Road. Of particular note, the property has remained within the same family since it was originally built and is now being offered for sale on the open market for the very first time.

The property is approached via a generous frontage, with a driveway providing off road parking and access to the garage, together with an area of front garden. The front door opens to the entrance hall where stairs rise to the first floor and a door provides access to the main reception room. The well proportioned living room features a brick built fireplace and opens through to the dining area, providing ample space for both seating and dining furniture. A temporary WC facility has been installed within part of the dining area and could readily be removed by an incoming purchaser if not required. The kitchen is fitted with a range of eye and base level units with work surfaces and space for appliances, together with access outside.

On the first floor, the landing provides access to two good sized bedrooms, including a particularly generous main bedroom. The bedrooms are serviced by a modern fitted shower room with walk in shower enclosure, wash hand basin and WC. Whilst the property has clearly been well cared for over the years, it would now benefit from redecoration and some cosmetic updating, providing an excellent opportunity for the incoming purchaser to modernise and personalise the home to their own taste. Externally, the property benefits from the aforementioned generous frontage with off road parking and garage, while to the rear is an enclosed garden providing a manageable outside space with patio and lawned areas, garden shed and fencing to the boundaries.

With its convenient location, well proportioned accommodation, generous frontage and the significant advantage of no onward chain, this rarely available home represents an excellent opportunity for a variety of purchasers and is available to the open market for the first time since it was built.
