Detached freehold house in Hillfields: 10.9% gross yield at the guide price, tenant in place, income from day one.

For sale by conditional online auction. Guide price £90,000.

A rare chance to buy a detached one-bedroom freehold house close to Coventry city centre. One-bedroom houses are scarce in this part of the city, and this one is a short walk from the centre and Coventry University, an area with steady rental demand from working tenants and postgraduates.
