An impressive, modern detached family home with four double bedrooms and a superb 10m open plan living/dining/kitchen, positioned on a small cul-de-sac of only five detached dwellings in a highly regarded location.

An extended and modern four double bedroom detached house presented in immaculate condition throughout with an integral double garage, positioned on a small cul-de-sac of only five detached houses off Briar Lane in a highly regarded location.

The property was built in 1998 and has been occupied by our clients since 2004. The property has been modernised and improved to a high standard throughout to include an oak and glass staircase, modern sanitaryware and tiling to the downstairs WC, family bathroom and en suite, and the large, 33'4" (10m) open plan family living/dining/kitchen with quartz work surfaces and French doors is certainly the main hub of this impressive family home.

The ground floor living accommodation comprises an entrance hall, modern downstairs WC, utility, bay fronted lounge and a superb open plan living/dining/kitchen with French doors leading out onto the rear garden. The first floor galleried landing leads to a large master bedroom with extensive fitted wardrobes and a modern en suite. There are three further good sized double bedrooms all with fitted wardrobes and a modern family bathroom. The property has gas central heating and UPVC double glazing.

OUTSIDE

The property is one of only five detached houses on a small cul-de-sac located in a very popular area off Briar Lane. The property has a beautifully landscaped front garden featuring a circular lawn surrounded by an attractive block paved border with planting borders with shrubs and a laurel hedgerow boundary to one side. The block paving continues across the front of the house where there is an outside tap, and a double width tarmac driveway leads to an integral double garage equipped with power and light and a remote controlled electric up and over door. A side gate and paved pathway leads round to the rear garden. To the rear of the rear of the property, there is a delightful, landscaped garden (not overlooked) featuring an extensive stone paved patio extending the full depth of the garden on one side beneath a pergola. There is a useful storage shed equipped with power and light to the side of the house and an outside tap. The stone paving continues to a pathway extending across the full width of the house to a pathway and gate on the other side of the house leading to the front. There is a central lawn, gravel areas and ample raised flowerbeds with plants and

shrubs. Situated at the end of the garden, there is a further sunken paved patio and pergola providing additional outdoor seating space adjacent to a shed equipped with power and light.
