Guide Price £235,000

DESCRIPTION

Offered to the market with NO ONWARD CHAIN this two double bedroom cottage is nestled along a much favoured and tucked away terrace, but is only a stone's throw away from the town centre of Penzance.

This charming mid terraced house requires modernisation, but retains many original features. It's well stocked south facing sunny garden ensures quiet and privacy, yet you are only a step away from the bustling recently regenerated area located at the top of Causewayhead.

The cottage is warmed via a gas central heating system. The accommodation in brief includes a conservatory, sitting room, kitchen/dining room and the bathroom to the ground floor with the two double bedrooms occupying the first floor.

Properties along this terrace rarely grace the market so an early viewing is highly recommended to fully appreciate.
