General Remarks

A substantial Grade II listed property located centrally within the market town of Oswestry. To the front of the property on the ground floor is a commercial shop premises while across the first floor is a spacious apartment which retains a wealth of characterful features. Parts of the property are thought to date from the 15th Century and the current owners have done all they can to retain and enhance these features. There is also an additional workshop/garage at the rear which offers great potential and the property would be ideal for those buyers looking for a property in which they can both live and work. Internal inspection is essential in order to fully appreciate this most individual addition to the sales market.

Location: The property is centrally located in the historic centre of the busy market town of Oswestry, close to towns selection of shops, restaurants, public houses and other amenities. The property fronts directly onto B4580, the main route through the town centre, with the main pedestrianised shopping areas also in close proximity. The
