INTRODUCTION

One for the connoisseur! Designed by, and for, an architect's own occupation in the 1960's this detached bungalow exudes minimalist and geometric features within an established 1/4 of an acre plot in a highly desirable location. Well planned and spacious accommodation creates a unique living experience, also with plenty of potential to remodel and adapt to current aspirations. Viewing is a must to fully appreciate the appeal of this lovely home with accommodation extending to over 1,400sq.ft. on one level, which is depicted on the attached floorplan. In brief the accommodation includes a light, bright entrance hall, cloaks/W.C., main open plan living room linking through to a dining space and the attractive modern kitchen with granite surfaces and integrated appliances. There are up to four bedrooms with one most recently used as a lovely study overlooking the gardens. It is also worth noting that the property has the benefit of parquet flooring, currently beneath carpets. Outside a brick paved driveway provides parking for four/five vehicles and access to the adjoining garage with electric up and over door. The established gardens have been landscaped to both front and rear with lawns and attractive planting offering all year round interest. There are patios/seating areas, large garden room ideal for a variety of uses and shed/stores.

In all, a unique home of great appeal with so much additional potential.

Please note that there is no chain involved therefore an early completion should be possible.
