A truly exceptional opportunity to acquire this outstanding detached villa, occupying a prime position in the heart of Inverness. Arranged across four split levels, the property offers a versatile and expansive layout that must be viewed to be fully appreciated. This unique home combines generous room proportions with a distinctive character that sets it apart from the conventional. On the first level, the principal living floor is home to a bright and spacious main lounge - a room that immediately impresses with its light and sense of openness. Sliding doors lead directly onto the private balcony, an elevated outdoor space perfectly suited to morning coffee, evening drinks, or simply taking in the surroundings. This is undoubtedly one of the standout features of the home.

Descending a level, the property opens into a second lounge, a versatile space that overlooks and accesses the rear garden directly, making it ideal as a family room, home office, or entertainment space. On this same level, a well-appointed kitchen provides a practical and sociable hub, complete with a breakfast bar, integrated gas hob, electric oven, extractor, and freestanding fridge/freezer, washing machine and dishwasher. Direct access to the rear garden is also available from the kitchen. A separate dining room off the kitchen completes this level, alongside a convenient WC, an ideal arrangement for families and those who enjoy entertaining.

The lower level houses the integrated double garage, which benefits from internal access and connects to both the rear garden and the front driveway.

The top level is dedicated to the sleeping accommodation, where four double bedrooms are arranged with comfort and practicality in mind. Three of the bedrooms benefit from fitted storage, while the principal bedroom is further enhanced by a private en suite facility. The family bathroom on this level serves the remaining bedrooms. Gas central heating and double glazing are installed throughout.
