Description

A deceptively spacious family home offering exceptional accommodation of circa 3000sqft presented to the highest of standards and situated in this premier location off of Kingston Hill.

The enormous ground floor footprint is ideal for family living and entertainment featuring: a generous receiving hallway, cloakroom/WC, a fully equipped 31' Kitchen/diner with central island which leads directly to the wonderful 25 x 17 family room with a large skylight and doors to the garden. It also links to a one bedroom annex/apartment which could easily be self contained, ideal for a granny annex, au pair suite or for young adults.

The spacious office with direct access to the garden is the ideal environment to work from home in and leads through to a utility room. The large integral garage offers ample storage and has access to a garden store.

On the upper floor there is a spacious principle suite with fitted wardrobes and a large en-suite shower room with his and hers hand basins plus under floor heating. There are three further double bedrooms all with fitted wardrobes and a well appointed family bathroom with a separate shower and underfloor heating.

Externally there is a 80ft landscaped, southerly aspect rear garden, carport and off street parking.

Properties of this size and style with a separate annex are rarely available and therefore we would thoroughly recommend a viewing at your earliest convenience. The property is being sold with no onward chain.

Situation

Located in this enviable position, moments from Richmond Park, with its huge expanse of parkland, ideal for walking, riding and other outdoor pursuits. Parkgate Close is an extremely sought-after address, and the property is well situated for Norbiton station giving direct access into Waterloo and the A3, which serves both London and the M25. Additionally, Kingston town centre, with its array of shops, restaurants and riverside attractions is a short distance away. The standard of primary and secondary schools within Kingston is outstanding within both the private and state sectors.
