Hawkstone Park is ideally suited to the more mature resident – perhaps those aged 50 plus – the site is popular with empty nesters wishing to downsize from larger properties, homeowners seeking to purchase a second property, those wishing to invest cash into a stunning new home and retirees looking forward to spending leisure time in a more relaxed environment – the tranquil, peaceful setting of a luxury residential park alongside like-minded neighbours.

Residential homes offer exceptional value for money, with costs significantly less than purchasing an equally sized house. Downsizing to a park home can be an excellent method of releasing equity from a current property, whilst retaining independence and benefiting from a new way of life.

This agreement grants you the right to occupy the home on a specific pitch within the park, but the land itself remains owned by the park owner.
