To the rear of this floor is a large separate kitchen with attractive two tone cabinetry and complete with fitted appliances. Accessed via a set of French doors from the kitchen there is a private terrace that gets lots of natural light. There is also a fully renovated shower room that serves this floor. Upstairs on the first floor you have two generous double bedrooms both either benefitting from built in storage or with plenty of space to add some if required and a family bathroom that has been fully renovated. On the second floor, within the converted loft space you have a third large double bedroom benefitting from its own en suite shower room, built in storage and Juliet balcony off of the half landing. This excellent property is offered to the market with a share of the freehold and no onward chain.
