This substantially extended detached home has been comprehensively improved to provide a stylish and highly versatile family property approaching 2,000 square feet. Positioned within a family-friendly cul-de-sac, it combines generous internal living space with low-maintenance outdoor areas, all within easy reach of local schools, shops, the train station and the town centre.

The heart of the home is an impressive 30-foot open-plan kitchen, dining and family room, designed as a bright and sociable space for both everyday living and entertaining. This dual-aspect room features stone flooring, column radiators and doors opening directly onto the garden. The contemporary kitchen offers soft-close storage, solid quartz worktops and a large island with seating, alongside integrated appliances including a full-height fridge and freezer, double oven, dishwasher and drinks fridge, as well as a boiling water tap. A generous dining area sits to one end, while a deep utility cupboard provides space and plumbing for laundry appliances at the other. A separate dual-aspect sitting room offers a quiet retreat, complete with wooden flooring, a wood-burning stove and garden access. The entrance hallway comes complete with built-in storage and access to a cloakroom.

Upstairs, there are four well-proportioned double bedrooms, all enhanced by bespoke window shutters. The spacious principal suite offers a large dressing room with natural light and excellent storage, along with a stylish suite shower room featuring underfloor heating. The well-appointed tiled family bathroom is finished to a high standard with underfloor heating, a bath with rainfall shower, vanity unit, heated towel rail and W.C.

Externally, the landscaped rear garden has been designed for ease and enjoyment, with an artificial lawn, composite decking and patio areas, enclosed by fencing and mature hedging and enhanced by subtle lighting. The garden enjoys a sunny southerly aspect and provides an ideal setting for relaxing or entertaining. A standout feature is the insulated and fully powered larch-clad garden studio, offering excellent flexibility as a home office, gym, hobbies room or occasional bedroom.

To the front, a generous driveway provides parking for several vehicles and leads to a well-finished garage with power, lighting, storage and internal access to the house. The property is quietly tucked away on the southern side of Bradford on Avon, less than a mile from the train station and town centre. It is ideally placed for Fitzmaurice Primary School and within easy reach of cafés, pubs, canal-side walks and a wide range of independent shops and amenities. The town also offers excellent transport links, including direct rail services to Bath, Bristol, Cardiff and London Waterloo, along with convenient local bus routes and access to secondary schooling.
