SITUATION

Market House occupies a highly convenient position on South Street, within the historic market town of Totnes, renowned for its independent shops, cafes, galleries and vibrant cultural scene. The town has a rich architectural heritage, a thriving community and excellent day-to-day amenities, all set beside the River Dart.

Totnes is well placed for access to the South Hams coastline, Dartmoor National Park and the cathedral city of Exeter. The town also benefits from a mainline railway station, providing direct services to Exeter, Plymouth, London Paddington and beyond.

DESCRIPTION

Market House is a delightful period townhouse offering a rare combination of town-centre convenience, characterful interiors and private outside space. Arranged over three floors, the property presents an attractive natural stone elevation beneath a slate roof, with accommodation extending to approximately 893 sq ft, excluding the garage.

The interior combines period charm with a light, neutral finish, including exposed stonework, timber flooring, sash-style windows and a character fireplace with inset woodburning stove. The first-floor living space is particularly appealing, opening to a balcony which provides an attractive outlook across neighbouring gardens and towards the surrounding townscape.

ACCOMMODATION

The front door opens into the ground floor entrance hall, with stairs rising to the upper floors. On this level is bedroom two, a well-proportioned double room with storage, an en-suite shower room and French doors opening to the rear garden.

On the first floor is a generous living room with timber flooring, an exposed stone fireplace and woodburning stove. Glazed doors open from the rear of the room onto the balcony, providing an attractive outlook across neighbouring gardens and the surrounding

townscape. The kitchen is fitted with contemporary white units, work surfaces, tiled splashbacks, sink and integrated cooking appliances.

The second floor provides two further bedrooms, both with storage, together with the family bathroom.

OUTSIDE

The property is approached directly from South Street, with a garage positioned at ground floor level. The garage provides useful parking or storage, a valuable feature in this central Totnes setting.

To the rear, accessed from bedroom two, a pathway leads beneath a pergola to the seating area. The courtyard garden is attractively arranged with paved seating areas, raised stone-edged beds, mature planting and established climbers, creating a private and sheltered space for outdoor dining and relaxation.

From the first floor, the balcony provides an additional outside seating area with an outlook over the garden and neighbouring properties.
