Mid-century style and timeless charm awaits at this wonderful 2 bedroom turn of the century terraced house, in Hastings Avenue Margate. Built around the turn of the 19th to 20th century, the homes in Hastings Avenue have long proved to be some of Margate's most popular - boasting immediate access to Dane Park, tree lined walks to the cliff tops & beaches, easy access to main road links out of town and being well located for local primary and secondary school choices, along with easy reach to the QEQM hospital.

The house has a beautiful welcoming feel, with great sunlight bouncing off the tasteful decor to create a warm feeling and vibe filled home.

On the ground floor, you enter into the house via an entrance lobby to the ground floor hallway; this provides access to the opened but still separate lounge and dining rooms and the kitchen. The spacious lounge boasts a large bay window to the front, corniced ceilings and wooden floors. The dining room maintains the theme of good size with a window to the rear. The kitchen is tastefully fitted with a range of cupboards, under-stairs storage, a butler sink, 2 windows and a door to the rear garden. The rear garden is a stunner - with a patio area adjacent to the house, lawned central section and large rear shed. It is surrounded by mature borders with shrubbery and fruit trees thriving in it's sunny aspect.

Heading upstairs, you'll find a split-level landing. At the rear lower section you have large victorian style bathroom with bath, overhead shower, WC and basin mounted to vanity unit. There's a lot of character in this room, with an original fireplace, large window, built in storage and wooden floors. From the upper landing section, you have 2 generously sized double bedrooms with the front one occupying the entire width of the house with twin aspect windows to the front.

Viewing is highly recommended to appreciate the space and feel of what we consider to be a beautiful home.
