Hidden away in a quiet corner of Penylan on the pretty Brandreth Road (just at the top of Ty Gwyn Road so therefore well-positioned for the University Hospital, main university campuses as well as access in and out of the City via the A48) is a spacious, two bedroom apartment that comes with its own garage. Located on the first-floor, the property offers exceptional amounts of space with two large double bedrooms, bay-fronted lounge with space for dining table, smartly fitted kitchen with gas hob, good storage and recessed utility space and family bathroom. A single garage is also available as part of the rental - which is extremely rare for the area. Available furnished, this property would be a great option for a professional couple or indeed friends who want to be close to the action in Roath, yet a little further out for some peace and quiet.
