LOCATION

South Petherton is a small residential country town with a village atmosphere set in an attractive surrounding countryside one mile from the A303 roadway and offers a wide range of shopping facilities, two schools, library, inn, restaurant, florist, churches, doctor & veterinary surgeries, chemist, tennis and bowling clubs and 'bus services to neighbouring towns and villages.

Yeovil is ten miles, Crewkerne (Mainline Station to Waterloo) six miles, Ilminster six, the county town of Taunton (M5 Motorway & Mainline Station to Paddington) eighteen and the South coast at Lyme Regis twenty-two miles.

Approach

The cottage is positioned at the top of Palmer Street, just as the road curves around to become Compton Road.

The cottage, unusually, is red brick compared with its hamstone neighbours

Ground floor

The cottage is considerably wider than its neighbouring properties, boasting an entrance hall with original stone flooring.

A door on the right leads to a welcoming sitting room with log burner and ample room for furniture. Continuing along the entrance hall you enter the kitchen / diner which has an impressive number of wall cupboards, understairs storage and space for a dining table.

There is also a door leading to the utility room and rear, garden door.

First floor

From the top of the stairs are two double bedrooms, the master being particularly impressive with its wall of built in storage and characterful

shuttered windows.

The current owners have set this large room up as an office space, preferring the second bedroom as a cosier room for sleeping.

There is also a bathroom with bath, wc and wash hand basin.

Rear Garden

The rear garden is raised up steps and has a lovely range of plants and shrubs.

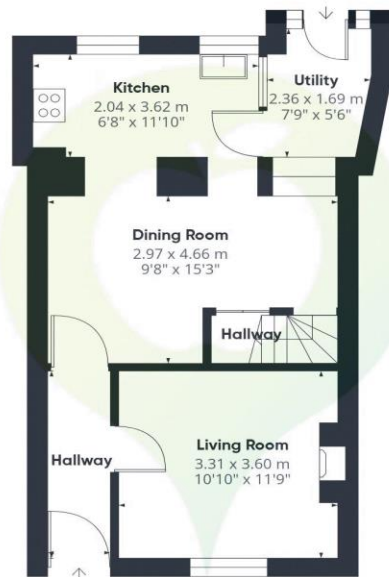

Immediately outside the back door is an area, beneath decking, for storage.

There is a grassed area as well as a patio terrace - ideal for al fresco dining, a garden shed, compost area and log store. This cottage is one of the few which benefits from a rear gate leading to a back alley ideal for taking out bins and recycling or for a quicker access to rural walks and the nearby allotments.
