Offers in the region of £125,000

While the apartment may appear modest from the outside, it more than makes up for it internally, offering a cleverly designed layout, generous living space, excellent storage and impressive far-reaching countryside views. Situated in a quiet estate on the outskirts of St Martins this first floor, ex local authority maisonette has two double bedrooms, a lounge diner, generous kitchen, bathroom and utility. Downstairs there is a large entrance hall and additional workspace. Outside the secluded garden looks over fields and captures the sun all day.

UPVC glazed door and window giving plenty of light makes for a useful clothes drying area when it rains. There is also a radiator, lighting and a power point.

Store/Workshop

Hallway

Wider than average concrete stairs lead to the first floor landing where doors to the bedrooms, bathroom and lounge can be found. A utility cupboard houses the washing machine, combi boiler and electric consumer unit, hard wired smoke alarms and there is also a hatch to the loft for storage.

Bedroom One

Bedroom Two

Open the window inwards to clean or listen to the birds. The small farm unit behind is used for campervan conversions during the week and doesn't cause any disturbances.

The Garden

Featuring a small pond, wildlife planting and a honeysuckle hedge this is the perfect place to relax. A wooden storage box provides somewhere for all the cushions needed for lounging around whilst watching birds, bees, bats and stars. The garden is gated to keep in pets or small children, the downstairs flat has a right of access but that's rarely used.
