Mount Yard is a modern residential development on the edge of Angel Meadow.

Built beside one of the city centre's largest green spaces, it offers contemporary apartments overlooking landscaped parkland while placing residents within walking distance of Manchester city centre, the Northern Quarter and Victoria Station.

The development forms part of the wider regeneration of Angel Meadow, an area that has transformed from one of Victorian Manchester's most impoverished districts into a thriving residential neighbourhood.

We are pleased to present this stunning two-bedroom, two-bathroom apartment, situated on the second floor and benefiting from a spacious balcony overlooking the park.

Residents enjoy a 24-hour concierge service, secure cycle storage, and access to a range of premium amenities at MeadowSide, including a residents' lounge, gym, yoga studio and communal terrace.
