Summary

A spacious three bedroom end terrace home set within the popular Kingshill Meadow development in Cirencester. With a dual aspect living/dining room, kitchen/breakfast room, enclosed garden and double width car port, it offers a really practical layout in a well-connected setting close to local amenities, green space and the town centre.

Step inside

A generous entrance hall sets the tone, with plenty of space as you come in, stairs rising to the first floor and a useful downstairs cloakroom.

To the front is the kitchen/breakfast room, fitted with a good range of storage and worktop space, together with room for appliances and a table for everyday dining.

Across the back of the house, the dual aspect living/dining room is the real heart of the ground floor. It is a great size, with clearly defined areas for both sitting and dining, plenty of natural light and double doors opening directly onto the garden.

Upstairs, the landing leads to three bedrooms and the family bathroom. The main bedroom is a comfortable double with useful built-in storage, while the second bedroom is particularly generous and also works brilliantly as a guest room or home office if needed. The third makes a good single bedroom, nursery or study.

The family bathroom completes the accommodation with a white suite comprising bath with shower over, WC and wash hand basin.

Step outside

The rear garden is fully enclosed and nicely manageable, with a lawn, patio area immediately outside the house and gated access to the rear.

Perhaps just as importantly, the property also comes with a double width car port, giving covered parking for two vehicles and adding another very practical tick to the list.
