Standing on a substantial corner plot with generous gardens to the front, this is an impressive detached home in one of Driffield's most highly sought-after residential developments - this property having the rare commodity of a double garage!

The accommodation is beautifully presented and includes an attractive lounge along with conservatory, dining room, fitted kitchen and separate utility room.

Built during the early 1990s, Whitelands, and its associated adjacent developments, has established itself as a premium development of detached residences, all having generous established frontages giving the area a very relaxed feel.

This house has been upgraded to include contemporary oak style interior doors along with fitted kitchen which includes appliances and smart bathrooms. The accommodation itself is likely to have a wide appeal from families through to discerning buyers wanting a great location within walking distance of the town centre and the added feature of a double garage!

DRIFFIELD

Driffield remains a market town, notwithstanding the closure of the livestock market in 2001. The central shopping area includes a weekly stalled market, with shops providing a wide range of goods and services for everyday needs supplemented by retailers such as B&M, Iceland, Boyes, Peacocks, Yorkshire Trading, Tesco and Lidl. Many local shops provide a personal service, in addition to a wide range of goods.

Other amenities include a modern Sports Centre with swimming pool, cricket, tennis, bowls, football and rugby teams, dancing, gyms etc. together with many clubs and associations. Road and rail links to the neighbouring coastal market towns, including Beverley, Hull and beyond.
