Situated within a quiet residential cul-de-sac on the northern side of Haywards Heath, this beautifully remodelled and extended three-bedroom semi-detached chalet bungalow occupies an attractive corner plot with generous gardens, ample private parking and stylishly presented accommodation extending to approximately 1,050 sq ft. Having undergone a comprehensive programme of renovation and enlargement, the property now offers contemporary open-plan living, luxurious bath and shower rooms, and a superb specification throughout, all within easy reach of the town centre, mainline railway station and highly regarded local schools.

The Home...

A covered oak-framed entrance porch opens into a welcoming reception hall which immediately sets the tone for the quality found throughout the home. Contemporary décor, modern internal doors and attractive herringbone-style flooring create a stylish and cohesive feel across the principal living spaces.

The heart of the home is undoubtedly the impressive kitchen/dining room, a superb open-plan space designed for modern living and entertaining. Fitted with an extensive range of shaker-style cabinetry, quartz work surfaces and a central island with breakfast bar seating, the kitchen combines practicality with striking contemporary design. Integrated appliances, sleek pendant lighting and direct access to the garden create a space equally suited to everyday family life and social occasions. The separate sitting room offers an elegant retreat, featuring a contemporary media wall and deep front-facing window, whilst retaining excellent proportions for comfortable furnishings. Also located on the ground floor is a versatile double bedroom, ideal for guests, family members or those seeking single-level living. Adjacent is a beautifully appointed shower room featuring large-format porcelain tiling, a walk-in rainfall shower, vanity storage and illuminated mirror.

The first floor has been thoughtfully designed to maximise both space and natural light. A spacious landing area, illuminated by rooflights, provides an excellent study or home-working space and benefits from useful eaves storage. The principal bedroom is a comfortable double room overlooking the rear garden, whilst a further bedroom offers ideal accommodation for a child, guest room or dedicated office. Serving the first floor is a striking contemporary bathroom incorporating a freestanding bath positioned beneath a large rooflight, separate walk-in shower enclosure and modern sanitaryware, creating a luxurious spa-like environment.

Moving Outside...

The property occupies a generous corner plot with gardens extending around two sides of the home. To the rear and side, a substantial paved terrace provides the perfect setting for outdoor dining and entertaining, leading onto an area of level lawn bordered by mature trees and fencing which create an excellent degree of privacy and seclusion.

To the front, a large resin-bound driveway provides off-road parking for several vehicles and enhances the property's attractive kerb appeal. External lighting and contemporary styling further complement the home's smart appearance.
