

Trowell Park Drive
Trowell, Nottingham NG9 3RA

£339,995 Freehold

A FOUR BEDROOM DETACHED FAMILY HOME.

We are pleased to offer for sale this modern four bedroom detached family home offered for sale in a ready to move into condition.

This property was built in the late 1980's by David Wilson Homes and has been particularly well maintained and improved over the years by the original owner. Features include the fitted kitchen with granite work surfacing and the utility room has integrated appliances. There is a useful cloaks/WC, the principal bedroom benefits from an en-suite bathroom.

Further features of this property include gas fired central heating served from a combination boiler and double glazed windows throughout. Solar panelling* is situated on the roof, improving the energy efficiency of the property.

The property benefits from off-street parking for up to two vehicles, an integral garage and enjoys larger than average, mature gardens.

Situated in this popular and now established residential development known as "Trowell Park", located on the outskirts of the suburban village of Trowell, nestled between the nearby towns of Stapleford, Beeston and Ilkeston with easy access to all three, as well as Nottingham city centre. For those looking to commute further afield, Junction 25 of the M1 motorway is nearby.

This property will make a fantastic family home and an internal viewing is recommended.

OUTSIDE

To the front, the property has a semi-open plan garden with section laid to lawn. Mature and maintained trees and shrub bed. Block paved driveway providing off-street parking for two vehicles which leads to the integral single garage with an up and over door, light and power. The rear garden is fenced and enclosed and is over two gentle tiers with a patio area beyond the rear elevation and "L" shaped section of garden laid to lawn. There is a railway sleeper retaining wall and steps leading to a second tier where there is a further section of garden laid to lawn with a gravel area and small ornamental pond. There is a variety of mature flower and shrub borders. Garden shed.

ADDITIONAL INFORMATION

The property was subject to a flood event in October 2023. Refurbishment and improvements have been made through an insurance claim with flood prevention measures installed. The area now benefits from a natural flood management scheme.

SOLAR PANELS

The property has solar panelling installed which was provided by a Government backed scheme. As a result, the property benefits from cheaper electricity. Further information is available upon request.
