Two Double Bedrooms, Bags of Space and the Station Practically on Your Doorstep

If your property wish list reads great space, allocated parking and a train station close enough to make the morning commute considerably less painful, this well-presented first-floor flat in Brandon Close, Chafford Hundred could be exactly what you've been scrolling for.

Step inside and the first thing you'll notice is the space. A large entrance hallway comes complete with secure intercom entry and useful storage — perfect for coats, shoes, the vacuum cleaner and all those things you'd rather visitors didn't see.

The lovely-sized lounge/diner offers plenty of room to spread out, entertain friends or settle in for a serious evening on the sofa. Alongside, the good-sized kitchen provides practical space for everything from culinary masterpieces to something involving the oven timer and very little effort.

Both bedrooms are genuinely good-sized doubles, so there's no awkward conversation about who gets the "proper" bedroom. Whether you need space for a couple, sharers, guests or a home office, there's plenty of flexibility here. A well-appointed family bathroom completes the accommodation.

Outside, you'll find allocated parking, meaning your journey home doesn't need to end with several laps of the development hunting for a space.

The property also benefits from approximately 98 years remaining on the lease, adding another important tick to the list.

And location? This one has clearly done its homework. Chafford Hundred railway station is approximately 0.2 miles away, while Lakeside Shopping Centre is close by for shopping, restaurants and leisure. The A13 and M25 are also easily accessible for those who prefer four wheels to two rails.

Two double bedrooms. Fantastic living space. Allocated parking. 98-year lease. Station approximately 0.2 miles away.

Because when the flat is spacious and the station is that close, the snooze button suddenly becomes a little more tempting.
