CHARMING SEMI-DETACHED COTTAGE WITH COUNTRYSIDE VIEWS

Offering versatility, this beautifully presented three/four bedroom family home combines character, comfort and modern convenience. Offering an attractive sitting room, centred around a log-burning stove, a well fitted kitchen with integrated appliances and an impressive garden/dining room with vaulted glazed roof, a wonderful space for year round entertaining. A charming family room could easily become a ground floor fourth bedroom whilst a dedicated home office/study is ideal for hybrid working. To the rear, the property enjoys open countryside views and a south facing aspect that delivers stunning sunsets from the garden. Also worthy of note, the property currently benefits from planning permission in place for a ground floor extension and outbuilding which would offer a variety of options for use.

Situated along the peaceful Back Lane, this location offers a rare blend of tranquillity, community spirit and countryside living. With virtually no passing traffic, residents enjoy a wonderfully quiet environment, complemented by a friendly neighbourhood network. The area is rich in walking routes, including scenic paths towards Epping Upland, Broxbourne and The Barns Lodge Farm, which also hosts seasonal events. Horses from the neighbouring stables often wander to the boundary fence, creating a charming rural touch, especially when feeding them apples from the garden's trees.

Excellent transport links are close at hand, with Broxbourne Station around seven minutes away and Harlow and Rye House stations approximately fifteen minutes. Local amenities include Nazeing's shops, Harold's Head restaurant at the end of the road, and a welcoming church offering summer events and Sunday activities. Community road parties in summer and at Christmas bring everyone together, reinforcing the feel that makes this such a special place to live.
