DESCRIPTION:

An immaculately presented three-bedroom semi-detached house, offering spacious, bright and well-proportioned accommodation throughout. Large windows allow an abundance of natural light into the property, which has been well maintained and thoughtfully upgraded over the years. Presented in excellent decorative order, this is a comfortable home that buyers can move straight into, while still offering scope to modernise and add their own personal style over time. The well-proportioned living room provides a welcoming main reception space, while to the rear is a particularly spacious kitchen/diner extending across the full width of the house. This generous room provides ample space for both dining and everyday family life, with the potential to install patio doors opening directly onto the garden, subject to any necessary permissions. The kitchen is well presented and functional, while also offering future owners the opportunity to update or replace it to suit their own taste and requirements. Upstairs, there are three bedrooms. Two are generous double bedrooms, both benefiting from full-wall fitted wardrobes and excellent storage. The third bedroom is smaller but versatile, making an ideal child's bedroom, home office or study. A family bathroom completes the accommodation. Overall, this is a spacious and immaculately presented family home that has clearly been well cared for. Offering comfortable, move-in-ready accommodation, it also provides plenty of scope for a new owner to personalise and put their own stamp on the property over time.

EXTERNALLY:

The front garden is enclosed by a low brick-built wall with a gate providing access from the street. The garden is predominantly block paved, providing an excellent area for off-street parking, while the wide residential street also offers ample on-street parking. To the side of the property, a covered canopy provides access to the external storage areas, with a gate leading through to the rear garden. The fully enclosed rear garden features a large, paved patio area, with the remainder predominantly laid to lawn, providing a pleasant and easily maintained outdoor space.
