The Accommodation

On entering the property you find yourself in a spacious entrance hall, perfect for taking off wet coats and muddy boots. From here doors open to both bedrooms, the family bathroom and the kitchen. There is also a useful utility cupboard which houses the washing machine. The kitchen is fitted with a range of base and eye level units with stone worktops as well as integrated appliances. A courtesy door provides access to the side passage which, in turn, leads to both the front and rear of the property. An opening from the kitchen leads you into the Living/Dining Room - a bright and spacious room with sliding patio doors leading to the rear garden. The main bedroom is a generous double with fitted wardrobes and a bay window overlooking the front elevation. The second bedroom is also well proportioned and could comfortably accommodate a double bed. The family bathroom is fitted with a white three piece suite with a shower over the bath.

Outside

To the front of the property is a block-paved driveway providing parking for two vehicles. A footpath leads to the front door, whilst to the other side of the property is additional rear access. The rear garden is surrounded by mature shrubs, bushes and trees providing a great deal of privacy and seclusion. The garden itself has been recently landscaped and benefits from a large patio area, ideal for entertaining, as well as artificial turf for easy maintenance. The old freestanding garage has been part-converted with power and light and would make a superb home gym, work from home space or studio with minimal additional work.
