Tennyson Road, Walkley, Sheffield, S6 2WE

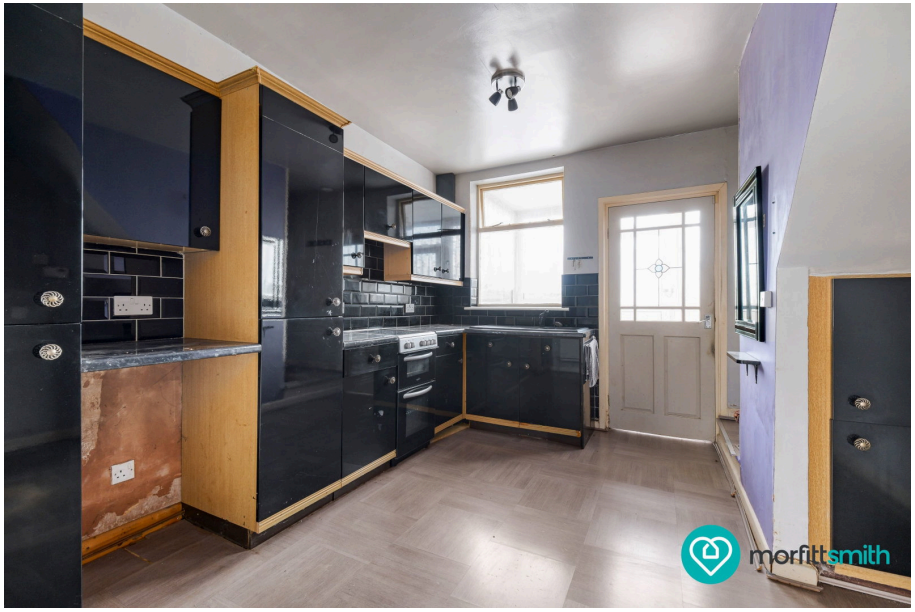

Offers In Region Of £170,000

2 1 1

A fantastic opportunity to acquire this spacious two bedroom mid terrace home, occupying a popular position in the heart of Walkley and offered to the market with no onward chain. Set across three floors with a generous kitchen diner, useful eaves storage and an enclosed rear garden, the property offers plenty of space with scope for a new owner to put their own stamp on it over time.

The ground floor opens into a well proportioned living room, with a feature fireplace creating a natural focal point and plenty of space for everyday living. To the rear is the kitchen diner, offering a good amount of floor and wall storage together with room for a dining table. A rear door provides direct access out towards the garden.

The first floor is home to a generous double bedroom with fitted storage, alongside the main bathroom which is fitted with a bath and shower over.

Stairs then continue to the second floor where a further double bedroom creates an excellent main bedroom, guest room or home working space. This floor also benefits from useful eaves storage, helping make the most of the upper level.

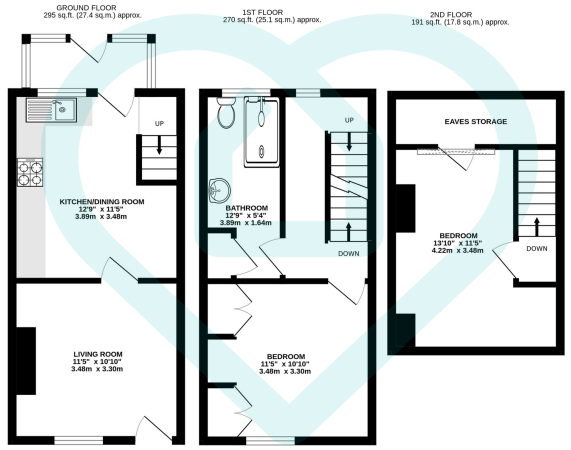

Outside, the property enjoys an enclosed rear garden arranged over different levels, with space for seating and a timber storage shed. The elevated position also allows for far reaching views across the surrounding area and towards the wider Sheffield skyline.

The property is generally well presented but gives buyers the opportunity to modernise certain areas to their own taste rather than paying a premium for somebody else's choices. With its generous accommodation, freehold tenure and no onward chain, this is a great option for first time buyers, couples or anyone looking to settle in one of Sheffield's most popular residential areas.

Walkley remains particularly popular thanks to its mix of independent shops, cafes and local amenities, along with convenient access towards Crookes, Hillsborough, the universities and Sheffield city centre.

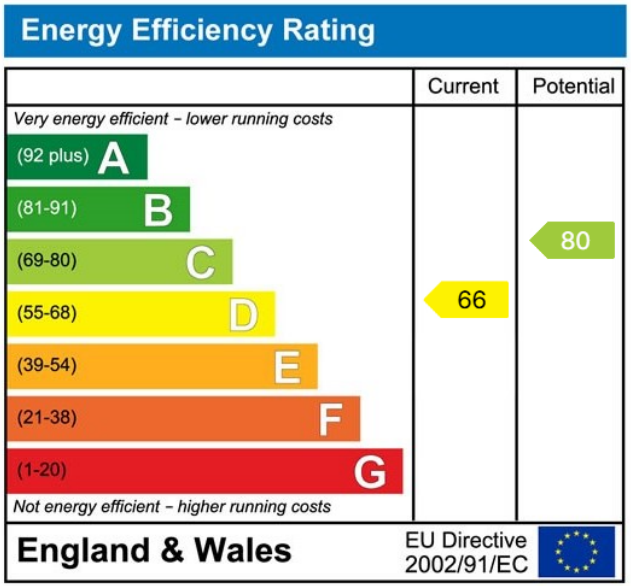

TOTAL FLOOR AREA : 756 sq.ft. (70.2 sq.m.) approx.
