Belvoir

This well-presented semi detached house offers a refined living environment suited to a range of professional tenants or couples. The property features one master bedroom, which is enhanced by fitted wardrobes, providing ample storage and convenience. The bathroom is equipped with a shower attachment over the bath, presenting both practical and comfortable bathing options. Residents will benefit from a fitted kitchen complete with white goods, ensuring a functional and contemporary cooking space. The accommodation is further complemented by a spacious lounge, providing an ideal setting for relaxation or entertaining guests. Additional advantages include efficient electric heaters, supporting year-round comfort. Externally, the residence enjoys a private garden, offering a personal outdoor retreat, and parking is available through a zone or permit scheme.

The earliest availability date for this property is 5th October 2026. A deposit of £1,442 will be required prior to occupancy. Situated in Reading, the property is ideally located for accessing a wide range of amenities and transport links. Reading is well-regarded for its shopping, dining, and leisure facilities, alongside green open spaces and reputable transport connections. Residents can benefit from convenient travel routes both within the town and to surrounding areas. The local area ensures a combination of practicality and quality of life for prospective tenants.
