The property provides spacious accommodation including a lounge/diner, modern fitted kitchen, additional reception room/bedroom five, ground floor shower room, four double bedrooms, and a family bathroom. Further benefits include double glazing, gas central heating, two driveways, and an attractive rear garden.

Steps lead to the front entrance and into the first of two hallways. The generous lounge/diner spans the full width of the property and is filled with natural light from two large patio doors that open onto the rear garden. The modern kitchen is positioned to the front, offering attractive views and fitted with shaker-style units, wooden-effect worktops, space and plumbing for appliances, and room for a dining table. Also to the front is an additional reception room / fifth bedroom enjoying views over Weymouth. A ground floor shower room hosts a WC, vanity wash hand basin, and shower cubicle.

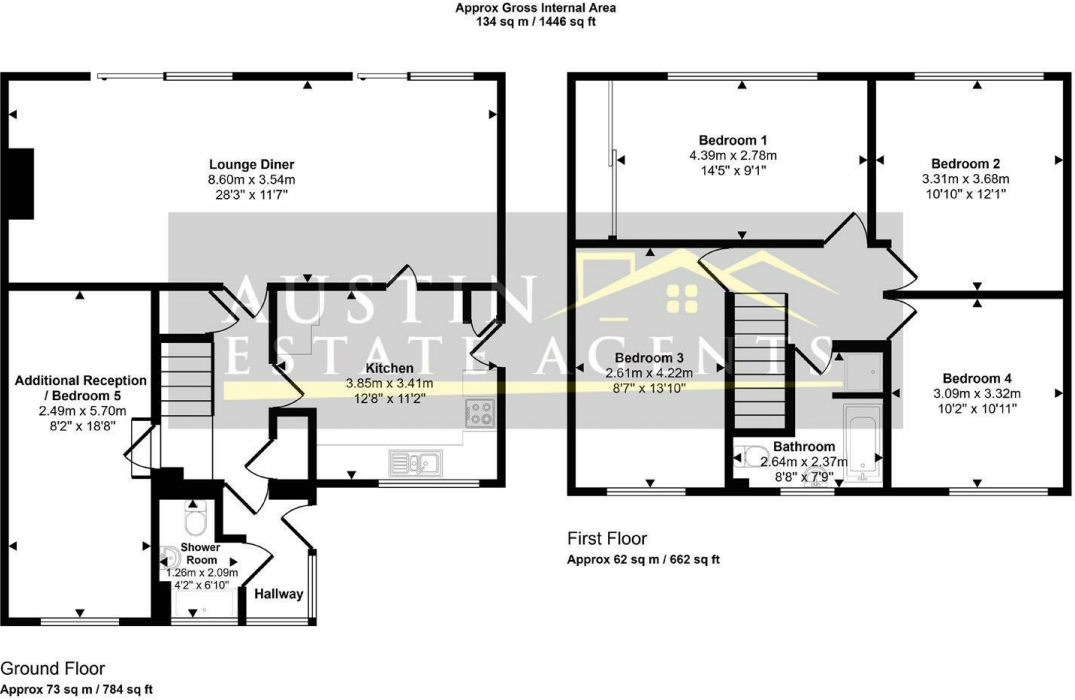

Upstairs, the landing provides access to four well-proportioned double bedrooms and the family bathroom. All bedrooms enjoy pleasant views and good natural light, with the main bedroom benefiting from fitted wardrobes. The modern L-shaped bathroom includes a WC, vanity wash hand basin, panelled bath, and separate shower cubicle.

Externally, the front driveway leads to an integral garage with insulated door, extended length, and useful storage beneath the house. A second driveway provides additional parking. Gated side access leads to the rear garden, with patio, artificial lawn, and decked areas. A powered garden shed is included, and a rear gate provides direct access to Wyke Hill and the Fleet Nature Reserve. Solar panels on the rear roof generate in excess of £1,500 per annum, tax free.
