

Corner Cottage Westbrook Brook Farm, Bromham, SN15 2EE

£250,000

Set within a semi rural development of just six homes, this charming two-bedroom semi-detached cottage offers a wonderful blend of character and practicality—an ideal alternative to a modern property on a larger housing estate. Comprising; entrance porch, hallway with useful storage, lounge/dining room, kitchen, two bedrooms and newly installed bathroom. There is an allocated parking space and use of a communal garden. Offered for sale with NO ONWARD CHAIN

Corner Cottage

****The internal images of these rooms have been dressed with AI furniture. Whilst the size and shape of these rooms is representative the internal décor is not.****

The accommodation begins with a welcoming entrance porch leading into an inner hallway with useful storage, providing access through to the main living spaces. The lounge/dining room is a particularly appealing area, featuring a window to the side, recessed shelving, with an open aspect leading towards the kitchen.

The kitchen offers a range of floor-mounted units, sink and drainer, and space for essential appliances including a washing machine and fridge/freezer. A window to both the front and side allows for plenty of natural light, creating a bright and functional cooking space.

Upstairs, the landing offers access to loft storage, an airing cupboard, and doors to all rooms. There are two bedrooms, both benefiting from windows to the rear and electric heating. The bathroom is fitted with a new suite comprising a bath with shower over and screen, wash hand basin, toilet, and vanity storage.

Externally, the property enjoys an allocated parking space and access to a communal garden backing onto open farmland, providing a peaceful and attractive outdoor setting.

Tenure

We are advised by the .gov website that the property is Freehold.

Council Tax

We are advised by the .gov website that the property is band A.

Agents Notes

The property and its owners will become part of the management company once all properties on the development have been sold. The water is metered. It has electric heating and its waste is disposed of via a sewage treatment plant. It is anticipated there will be an annual estate charge in the region of £ £640.50 per annum.
