Robert Ellis have great pleasure in offering for sale this period three bedroom semi detached house situated in an enviable position opposite Victoria Park.

This property comes to the market for the first time in a generation and offers surprisingly spacious family size accommodation. Benefitting from central heating served from a combination boiler and double glazed windows throughout.

The property has been well maintained over the years and is offered for sale with NO CHAIN and offers fantastic potential to further improve the property and make it a superb long-term family home.

The house is situated in this highly regarded residential suburb within Ilkeston, across the road from Victoria Park, a Victorian picturesque park with a charming refreshment kiosk, bowling green and bandstand. Other local landmarks include Victoria Leisure Centre & Swimming Pool which are a short walk from the property. Schools for all ages are within easy reach, as is the bustling market town centre itself.

The property has enclosed gardens to the front and two tiered gardens to the rear, with off-street parking and garage.

This is a rare opportunity indeed and we strongly recommend an early internal viewing.

OUTSIDE

The property is set back from the road and has a hedged-in front garden with lawn and views over Victoria Park to the front. On a pair of stone pillars hangs a timber pedestrian gate leading to a pathway to the front door and running along side the property where there is an integral store. The pathway runs around to the rear garden where there is a large, terraced patio area with brick retaining wall. Steps lead down to the lower garden and there is a small section of paving and a wrought iron gated courtyard previously used for off-street parking (although could be extended to provide more garden). Adjacent to this is an off-street parking facility in front of a single garage which is accessed from a shared private driveway.
