IF YOU LIVED HERE...

Step through the front door and you'll find a bright reception room, where a broad bay window brings in plenty of natural light and a feature fireplace creates a natural focal point. Beyond, a separate office provides a useful work-from-home space, while the kitchen and dining room stretches along the rear of the property, with doors opening directly onto the garden. Running alongside, the lean-to adds practical storage.

Upstairs, three bedrooms are arranged across the first floor. The rear bedroom has its own dressing room, while the other two are both well proportioned. The family bathroom sits centrally, and the loft room above provides further useful space. Outside, the substantial garden leads to an outbuilding with two separate storage areas.

Together, the generous internal space and excellent access to local amenities create a home that feels practical for everyday family life, with plenty of flexibility both now and in the years

ahead.
