THE PROPERTY

1 Oxford Terrace is an attractive Victorian freehold house of great charm and character, well renovated in previous years and in a fantastic central location.

The accommodation overall is well proportioned and versatile with period details throughout, including high ceilings, bay windows and attractive brickwork/tiling. On the ground floor the welcoming entrance hall leads to a lovely bay fronted sitting room and then through to the 14'x12' kitchen/dining room where the open plan arrangement offers good natural light and direct access via patio doors to the enclosed rear garden

Upstairs the bay fronted principle bedroom offers great natural light, storage and views whilst the second bedroom overlooks the garden with a large built in cupboard. Upstairs there is also a modern fitted bathroom. A staircase from the entrance hall leads to the lower ground floor where there is a bonus basement space which is currently used as an artists studio but has previously been a home office and play room.

THE GROUNDS

The rear garden is an enclosed courtyard style with a lower patio including a shed and steps up to a higher seating area to catch the sun. Raised plant/shrub borders set within a fenced/walled perimeter give a good feeling of privacy and seclusion. Resident's parking permits are available to park on the terrace at the front.
