OVERVIEW

Formally the showhome, and arguably the best plot within this exclusive cul-de-sac location, our clients have owned the property for over 20 years and upgraded the house inline with modern day requirements. Having a replaced water pressure hot water system for the heating and showers, the ground floor tiled areas also benefit from underfloor heating.

The house is spacious, and has been stylishly upgraded in all the rooms with replaced bathroom and kitchen fittings and decoration. Of particular note for this large corner plot, is the recently landscaped gardens with a raised porcelain tiled sun terrace.

ACCOMMODATION

Upon entering the property, the front door opens into an enclosed entrance porch, with double doors leading through to an impressive and spacious reception hall. The hall features tiled flooring with underfloor heating, a turning staircase rising to the first floor, a useful cloaks cupboard, and a guest WC.

The tiled flooring continues seamlessly into the beautifully appointed breakfast kitchen, which has been thoughtfully designed with a comprehensive range of contemporary base and wall units having quartz work surfaces, an inset sink, and a central island incorporating a breakfast bar. A superb range of integrated appliances include an induction hob with extractor hood above, combination microwave, oven/grill, steam oven, warming drawer, dishwasher, and wine cooler, creating a stylish yet highly functional space ideal for both everyday family life and entertaining. French doors open directly onto the rear terrace. Adjoining the kitchen is a practical utility room providing additional storage, a sink unit, plumbing for a washing machine, and a wall mounted central heating boiler, with a further door giving access to the rear garden. The property benefits from three generous reception rooms, comprising a sitting room, a dining room, and an elegant living room featuring an inset gas fire and French patio doors opening onto the rear garden. Double doors connect the living room and dining room.

A turning staircase rises to the first floor landing, which provides access to the loft space and an airing cupboard. The principal bedroom suite enjoys views over the rear elevation and is fitted with two sets of double built-in wardrobes, together with an en-suite shower room comprising a walk-in shower, WC, wash hand basin set within a vanity unit, and a heated towel rail. The guest double bedroom also features two sets of fitted double wardrobes and benefits from its own private en-suite shower room. There are three further well-proportioned bedrooms, two of which include built-in wardrobes, served by a stylish family bathroom that is fully tiled and fitted with a contemporary suite comprising a bath with shower over, WC, wash hand basin with vanity drawers below, and a heated towel rail.

OUTSIDE

To the front of the property, a generous block paved driveway provides ample off-road parking and leads to the detached double garage along with a neatly maintained lawned foregarden with planted border and a pathway to the front entrance. The rear garden has been beautifully landscaped to provide a private outdoor setting, enclosed by mature trees, shrubs and fenced boundaries. An elevated paved terrace extends directly from the breakfast kitchen and living room, creating the perfect space for outdoor dining and entertaining while enjoying the pleasant aspect. The terrace continues around to the side of the property, where there is useful storage, access to the garage and a gated pathway leading to the front. Steps from the terrace lead down to the generous lawn, complemented by a contemporary composite decked seating area, providing an ideal space for relaxing and entertaining during the summer months.
