🏠 EPC Rating E

A unique period home that was originally a Victorian farmer's cottage but later converted to a 'chalet style' family home in the 1970s. Offering a spacious and very flexible layout, this 5 bedroom property is set on a generous plot of 0.22 acre, and enjoys wonderful countryside views to the rear, as well as a private rear garden, a double garage and ample parking.

'St Jude' was extended further in around 2000 by the current owners. The house now has a set up 3 reception rooms combined with 5 bedrooms, but this arrangement can be changed to suit a buyer's individual needs and requirements. There is a good sized stylish refitted kitchen/breakfast room with a range of modern fitted units, marble effect worktops and a dual fuel 'Rangemaster' oven. There is also a handy utility room and a rear lobby/boot room with doors to the garden. A triple aspect sitting room has French doors to the garden and a 'Morso' log burner, there is a separate dining room with brick chimney and open fire with glass panelled double doors into a cosy family room/snug- that also benefits from a log burning stove. Two bedrooms and a shower room complete the ground floor. One bedroom has an external door and this could be ideal for a lodger or a dependant relative. On the first floor a modern family bathroom is complemented by 2 double bedrooms- a triple aspect main bedroom and a dual aspect guest bedroom both enjoying far reaching rural views.

Outside, wooden 5 bar gates open on to a long driveway providing ample parking and a detached double garage with workshop to the rear (both with light and power), and an internal staircase up to a fully boarded and carpeted loft room- an ideal hobby room. There is a front lawn, a large additional workshop with power and light, and a very private enclosed rear garden with a lawn, a patio terrace, a greenhouse and two apple trees. The open countryside views from the rear garden are delightful.
