

BEAUFORT GREEN

Fulham Road, SW6

£675,000

Set within the handsome red-brick façade of Drive Mansions, this beautifully presented two-bedroom apartment combines generous proportions with a calm, understated interior. Recently refurbished and extending to approximately 760 sq ft, the accommodation is arranged across the lower ground floor and benefits from a share of the freehold and access to the development's established communal gardens.

The drawing room is particularly impressive, with a broad bay bringing natural light into the space and a feature fireplace creating a natural focal point. Its generous proportions allow plenty of room for both living and dining, while the soft palette and traditional detailing give the room a relaxed sense of character.

A separate kitchen sits centrally within the apartment, finished with contemporary cabinetry and a simple tiled backdrop. Two double bedrooms are positioned at either end of the plan, creating a welcome sense of separation and privacy. Both are comfortably proportioned, with the principal bedroom extending to over 13 ft in length. A modern shower room completes the accommodation, while fitted storage along the hallway adds to the practicality of the layout.

One of the real draws of Drive Mansions is its communal setting. Residents have access to beautifully established gardens to the rear, offering a rare pocket of green space away from the pace of Fulham Road.

Positioned on Fulham Road, the apartment is well placed for the independent cafés, restaurants and everyday amenities of Fulham and Parsons Green, with Bishops Park and riverside walks along the Thames also within easy reach.
