## Property Details

Set on the ever-popular Acacia Road in Enfield, this attractive end of terrace extended Victorian home blends period character with generous, flexible living space arranged over three floors. The welcoming through lounge is a real highlight, featuring a character fireplace, coved ceiling, plantation shutters to the front, and a casement door opening directly onto the rear garden, creating a lovely flow for both everyday living and entertaining.

To the rear, the kitchen is fitted with a range of wall and base units and integrated appliances, leading seamlessly into a bright breakfast room with double glazed doors overlooking and opening onto the garden. This additional reception space offers an ideal spot for family dining or informal gatherings, while maintaining a strong connection to the outdoor space.

The first floor provides two well-proportioned bedrooms along with a spacious family bathroom, while the second floor adds two further bedrooms and a modern shower room, making the property particularly well suited to growing families or those needing home office space. Outside, the L-shaped rear garden enjoys a patio area ideal for outdoor dining, along with a good-sized outbuilding offering excellent storage or potential for a home gym or workspace.

The property is conveniently located for a range of well-regarded local schools, everyday shopping amenities and larger retail options nearby. Excellent transport links provide easy access into central London and surrounding areas, making this an ideal choice for commuters.
