What the family have to say: *'This is a light and airy one bedroom flat in the main block of the Bishopstoke retirement village. It was used by our Mother who loved it. Having become rather isolated before moving here, she enjoyed the balance the village offered between independent living and being able to enjoy the company of others. She would join her friends downstairs for lunch most days. There was as much support from staff as she needed. Living at Bishopstoke was a happy time.'*

Please note: There is an age restriction at this development, at least one of the residents must be over 65 years of age.
