Description

LOT 1 **guide price £375,000**

A substantial building of traditional stone construction having the benefit of full planning permission to extend the existing residential living accommodation into the pub area to create a generous family house with private parking and gardens.

In its current form, the pub is entered via a porch and lobby into a spacious hall. To the right is a large lounge bar and primary seating area with plenty of windows and direct access from a separate external door and lobby. The tap room provides further seating having tiled floors and direct access to both the bar and external seating area. The bar is situated between the lounge and tap room with access to the cellar. There are separate cloakrooms and a kitchen area.

The first floor apartment comprises a generous family living room with fireplace and base storage units. The well appointed kitchen provides a range of wall and base units, laminate worktops and a stainless steel sink and drainer. There is a four ring hob with oven and extractor fan, tiled splash back and plumbing for washing machine, dishwasher and dryer.

There are two double bedrooms, a useful office and a bathroom with w.c., hand wash basin, bath with shower over and fitted storage units.

The approved proposed layout will provide a large open plan lounge/dining space, a kitchen with separate utility and cloakroom and a separate snug. The first floor will provide a house bathroom, office and four double bedrooms, one of which is en suite.

The total approximate floor area of the approved dwelling (excluding basement) 276 sqm (2,970 sqft)

Change of use of the building to form a single dwelling was approved by Bradford Council under Application No: 25/01482/FUL dated 01 May 2026. A copy of the decision notice and approved plans are available from the agents.
