General Remarks

An excellent opportunity to acquire an immaculately presented detached country property with useful outbuildings providing flexible and deceptively spacious accommodation standing in gardens and grounds extending to 0.29 of an acre (0.11 ha) or thereabouts.

Situated on the periphery of the small village of Criftins, the property enjoys views over the adjoining countryside.

Coronation Cottage was originally built around the 1890's with later extensions. The gardens themselves are a most notable feature and are well stocked with a variety of established shrubs and trees.

An additional benefit to the property is the versatile outbuildings providing potential for a variety of other uses (ie) home office, studio etc. There is also a detached double garage with useful storeroom above. Separate carport & ample parking.

The property is warmed by gas heating and is fully double glazed.

Internal inspection is essential in order to fully appreciate this addition to the sales market
