The main building is approached through a glass panelled hardwood door leading to the foyer via an audio and video entry system. Within the entrance area there are both staircase and lift to the upper floors.

This apartment is positioned toward the back of the building enjoying a high degree of privacy and features an L shaped hallway with fitted storage cupboard and providing access into the rear living room complete with access to a covered patio area which leads onto the communal garden. The living room then opens onto an impressive fitted kitchen recently installed and with a range of integrated appliances and with an adjacent dining area with fitted storage cupboard off. There are two double bedrooms, the master benefiting from an en suite shower room/WC and a second serviced by the main bathroom/WC. The flats are centrally wired for satellite TV with connections in the living rooms.
