A STUNNING DETACHED FAMILY HOME IN A PEACEFUL LOCATION!

We are delighted to offer for sale this beautifully presented detached family home, perfectly combining generous living space, a fantastic layout and a peaceful location.

From the moment you step inside, the bright and welcoming entrance hallway immediately gives you a sense of the space this home has to offer. This leads through to a spacious lounge, while the real heart of the home is undoubtedly the impressive kitchen.

Beautifully presented and designed with family life in mind, the kitchen features a large central island with breakfast bar and excellent additional storage, creating the perfect space for cooking, entertaining and spending time together. It is easy to see why this room is likely to become the main gathering point for the family.

The kitchen flows naturally through to the conservatory, which is currently used as a fantastic dining room, creating an excellent entertaining and family space.

Upstairs, there are four generous bedrooms, providing plenty of flexibility for a growing family, guests or even a home office, along with a well-appointed family bathroom.

Outside, the property continues to impress with ample off-road parking, leading to a detached garage, while the rear garden provides a great outdoor space for relaxing, entertaining and family life.

The location is another real highlight. Tucked away in a quiet and peaceful position with no through traffic, the property offers the best of both worlds – a tranquil setting with country walks right on your doorstep, while still being conveniently positioned for local schools, the Medway towns and excellent access to the M2 motorway.

A wonderful family home in a location that offers space, convenience and a fantastic lifestyle.
